Legal Notice

In order to comply with the provisions of the Information Society Services and Electronic Commerce Act 34/2002 of 11th July, we hereby inform you:

1. Subject matter.

Art. 10 LSSI: www.impaorsa.com is an Internet domain owned by IMPAOR, S.A., with Registered Office in C/ RIO EBRO 2.esq - Guadalquivir 10 (province of Madrid) and tax code A79335758. The company is registered in Madrid Companies Register.

For purposes of this document the contact telephone is 91 628 04 80 and the contact electronic mail is sergiobadajoz@impaorsa.com.

This Legal Notice governs the use of this domain.

The use of this web site implies acceptance by the User of the conditions for use included in this Notice as well as our policies on 'Protection of Data and Privacy' and 'Policy on use of Cookies'. In the event of certain services contained and/or tools offered over this "Portal" requiring particular conditions from the application these will be made available to the User.

Apart from this, IMPAOR, S.A. warns that both the content and services of this web page as well as its own conditions for use may be modified with no prior notice.

2. Conditions for use.

The User undertakes to provide truthful, accurate and complete data on his or her identity in any sections in which it is necessary to register in order to access these. The User also undertakes to keep any personal data which might be provided to the owner of the domain updated, thus being the sole party liable for any falsehood or inaccuracies given.

You are informed that in the event of being a minor you will have to obtain permission of your parents, tutors or legal representatives to be able to access the services rendered. IMPAOR, S.A. does not accept any liability in the event of the data on this matter being inaccurate or false.

The "portal" may only be used for legal purposes and the user thus undertakes to make lawful and honest use of the portal in accordance with these General Conditions of Use, not to use the services of the portal for carrying out any activities infringing Spanish law, morality and good practices, the user thus assuming all liabilities for damages in respect of the owner of the domain or third parties that might result from any practices that are illegal or not allowed, including, for announcement purposes without meaning any limitation thereby:

- Tampering with or altering this page in any manner without prior consent of the owner of the domain, the domain holder not assuming any liability which might arise from such tampering or alterations by third parties.
- Performing any act that might damage, invalidate, overload or deteriorate the Portal and the services and/or prevent proper usage of this by Users.
- Inserting and/or using computer programs, data, faulty files, viruses, malware codes, I.T. systems or telecommunications or any others, regardless of their nature, which might cause damage to the Portal, to any of the services, or to any assets (hardware or software) of the information systems of the domain holder.
- Infringing third parties' rights to intimacy, their own image, protection of data, secrecy of communications, intellectual and industrial property.
- Concealing or falsifying the source of electronic mail messages.
- Using false identities, supplanting others' identity in the use of the Portal or in the use of any of the services.
- Reproducing, distributing, modifying or copying the content of this page, without authorisation of the domain holder or being legally authorised.
- Transferring the names of the User and the access code to unauthorised third parties.

IMPAOR, S.A. does not answer for any links to other Internet pages of third parties and their existence does not imply that IMPAOR, S.A. approves or accepts their content and services. These other web pages are not controlled by IMPAOR, S.A. nor covered by this Privacy Policy. If you access other web pages using the Links provided, the operators of those websites may collect your personal information. Please make sure that you agree to the Privacy Policies of those third party web pages before facilitating any kind of personal information.

As a general rule, the domain holder excludes its liability for any damages of any kind that might result from the use of the web page, as well as for any damages resulting from infringement of intellectual and industrial property rights by users and/or the lack of truthfulness, accuracy and updated nature of the content, nor can be held liable for any interruption of the service, improper operation or impossibility to access the service.

The owner of the domain shall not be liable for any damages caused by the presence of viruses or any other malware that might produce alterations to the User's I.T. system.

The website, including for announcement purposes without constituting any limitation, its programming, designs, logos, text and/or graphics, belong to the service provider or where applicable it has the proper express licence or authorisation from the authors.

Regardless of the purpose for which they were meant, any total or partial reproduction, exploitation, use, distribution and commercialisation requires in any event prior written authorisation by the owner of the domain.

Regardless of the purpose for which they were meant, any total or partial reproduction, exploitation, use, distribution and commercialisation requires in any event prior written authorisation by the owner of the domain.

The user undertakes not to perform any act infringing the author's intellectual or industrial property rights.

The provider expressly authorises third parties to redirect directly to the specific content of the web site, having in any event to redirect to the provider's main website.

3. Protection of data and use of cookies

You may consult our policy on protection of personal data and use of cookies in the following section: [Privacy Policy](#) and Cookie Policy respectively.

For purposes of this document the contact telephone is 91 628 04 80 and the contact electronic mail is sergiobadajoz@impaorsa.com.

This Legal Notice governs the use of this domain.

The use of this web site implies acceptance by the User of the conditions for use included in this Notice as well as our policies on 'Protection of Data and Privacy' and 'Policy on use of Cookies'. In the event of certain services contained and/or tools offered over this "Portal" requiring particular conditions from the application these will be made available to the User.

Apart from this, IMPAOR, S.A. warns that both the content and services of this web page as well as its own conditions for use may be modified with no prior notice.

4. Applicable legislation

These Conditions shall at all times be governed by what is laid down in Spanish legislation.
