Rolls

Get the most from your printed rolls

Impaorsa's goal is to provide cost effective solution to each customer for their rolls of paper. Each client needs a different solutions and so we offer customised rolls of thermal, electra and ecological paper for all types of ticket printers.

And since we at Impaorsa want to stay ahead of the market – take things just that much further – we offer any media for printing your advertising.

If you want to innovate with your business tickets, this is the solution. We offer you not only the roll of paper, but also our experience in quality printing for the customisation or inclusion of promotional and advertising activities on your tickets, so as to maximise the return from your business quickly, efficiently and economically. We work on the customisation that best suits your needs.
